### Classroom Guidance

We are looking forward to entering each classroom this month to share who we are and what our role is here at DES with each student.

Each class will have a visit from us twice per month to cover a lesson.

We are a Stephen Covey "Leader In Me School" which means we are helping our students become leaders. Each month we will have a "Habit Highlight"

## September Guidance Lessons:

School Counselor Introductions  
Friendship, Listening, Worries,  
Responsibilities and SMART Goals
